The Castle Hills Woman's Club is the only one of its kind in the State of Texas. It is unique in that its sole purpose is support of the community of Castle Hills, Texas. The Club and the City enjoy a close relationship of respect and support.

Among the first projects of this dynamic organization was to help raise money to build a City Hall, and the purchase of a fire truck. Over the years, as membership grew and fundraisers continued, the Club donated extensive furnishings, fixtures and equipment to the Fire, Police, Public Works and Administrative Departments. Recent projects included computers for the Police Cars, a thermal imaging camera for the Fire Department, the wood paneled console in the Council Chambers and the brick monument sign for City Hall.

Castle Hills Woman's Club members continue to serve on City Council, and as volunteers on the various City Committees, Boards and Commissions.
